Full Service Talent Recruiting

TargetCW provides full service recruiting to our clients. We make the best possible talent available to you and use all available avenues to search out and recruit the most talented candidates available. All of TargetCW's recruiters custom-match candidates to your specific job requirements.

PROFESSIONAL AND EXECUTIVE SEARCH SERVICES

- Executive Search
- Information Technology
- Engineering
- Accounting / Finance
- Human Resources
- Administrative / Clerical
- Operations
- Manufacturing
- Legal

TRADITIONAL AND INTERNET RECRUITING

- Our recruiters are the best in the industry with years of experience, in-depth expertise in all areas of recruiting ranging from Boolean searches to direct sourcing, AIRS training and certification, relationship-built pipelines to top-talent, and a robust database of candidates.

APPLICANT SCREENING AND INTERVIEWS

- Access highly qualified candidates who've been fully vetted, screened, and interviewed

SKILLS TESTING

- Only receive resumes for candidates that have been thoroughly tested using industry respected Provelt testing to ensure that each candidate's skills meet your requirements.

REFERENCE AND EDUCATION VERIFICATION

- We provide three or more professional references.
- We can verify education.

“Our success rate for direct hire placements is over 95% and we offer a 1-year Guarantee”
